

WHEN IT GETS HARD

Scenarios are powerful tools for visualizing common situations where we want to drive different outcomes through alignment.

1 SCENARIO DESCRIPTION

What mindsets, group dynamics, and organizational factors are impacting progress?

What trade-offs/blockers have to be navigated?

What P-HOWS are the most important in this scenario?

How could you work differently to change the outcome?

JULIE WILLIAMSON, PhD – Managing Partner at KARRIKINS GROUP

Julie believes in the power of conversation to build a shared understanding of often ambiguous concepts like mission, purpose, values, strategy, transformation, and innovation (to name a few). And she knows that leaders are often not taught how to create the space for quality conversations **across** the business as they move into enterprise leadership roles. She wrote **Make HOW Matter** to be a leader's guide to aligning their teams and delivering together.

Julie is a seasoned speaker who can bring energy and focus to your team as you lean into the work of making HOW matter. If you are interested in booking her for a keynote or talking with her about a workshop for your team, reach out at www.makehowmatter.com/julie and say hello.

MAKE HOW MATTER is full of resources, tools, and frameworks for getting teams aligned to deliver together. You can purchase copies on Amazon, in bulk through Porchlight Books, and on Audible as well as other e-book and audio book platforms. All of the worksheets referenced in the book can be found at www.makehowmatter.com/worksheets. If you'd like a workbook of all the resources that you can print for yourself, fill out the form on the webpage to request one.

MAKE
HOW
MATTER

The most inspired WHY
and the most ambitious WHAT
will fail without an aligned HOW

We've observed that:

- Misaligned leaders contribute to sub-par transformations, declining growth, and inefficient investments
- Aligned leaders accelerate strategic success and exceed growth goals
- Enduring value creation in companies comes from aligned leadership teams
